

Sinclair  
Broadcasting is  
using the public  
airwaves in an  
illegal fashion, by  
forcing it's  
stations to air a  
biased political  
piece weeks before  
the presidential  
election.

Please force  
Sinclair to not air  
this piece, or to  
devote equal time in  
each of it's  
stations to a piece  
with an opposing  
point of view.
